

Henri Bourque

Henri retired from Télébec in September 2001, after some 37 years of service. He held numerous management positions with Télébec throughout his career, mainly in Outside Plant and Network Planning (NP).

In 1999 and 2000, he participated as a member of the Télébec/Northern Telephone team for the implementation of the SAP system.

Since his retirement from Télébec, Henri stayed active by accepting two mandates as a municipal councillor, and then has been elected for two mandates as Mayor of the municipality of Gallichan.

Henri is currently Vice-President of the BPG/Télébec Chapter and was recommended as the Chapter's Chair at the June 2022 Télébec Chapter Annual General Meeting and approved by the BPG/Télébec Chapter members.
